On November 28, 2019, in one of the gorgeous concert halls of the Palace of Culture, city of Pernik, the second FAS Stakeholders meeting was held. The event was hosted by Regional administration Pernik. There was over 50 guests at the meeting: representatives of Pernik, Radomir, Breznik, Tran, Zemen and Kovachevtsi municipal administrations, Regional Directorate of Education, principals of schools and kindergartens and other social partners in the region. The main aim and the objectives of the Project were presented at the meeting. The progress achieved under the FAS Project has been taken into account. Emphasis was placed on upcoming "Fine in school" activities. In cooperation with the other Bulgarian partner, the activities of the Stakeholder Forum will take place over the next few months, also through the use of the web platform and the Learning Community tools, and will be completed with reporting.
